## Stories

Colored girl with lame feet  
Brother hit her over head and  
shut her when standing on big rock

Doctor persecute for colored  
were just children broth  
and stay in nights.

Methodist deacon argued  
half a day with St. Peter.  
Other men came along and  
walked right in.

Oh he's a hunter jerk  
will only stay a few days.

Oil was wanted in but  
St. Peter said the oil reservation  
all taken. Let me in and  
I'll guarantee plenty of  
pasted bulletins - 3 big gushers  
gushers struck in - Hell.

Great rush but men come and  
went out in a few days.  
Sand was afraid in night to see
